THE CLIPPER

PUBLISHED BY THE
CLASS OF 1951
PORTSMOUTH HIGH SCHOOL
PORTSMOUTH, N.H.

DEDICATION

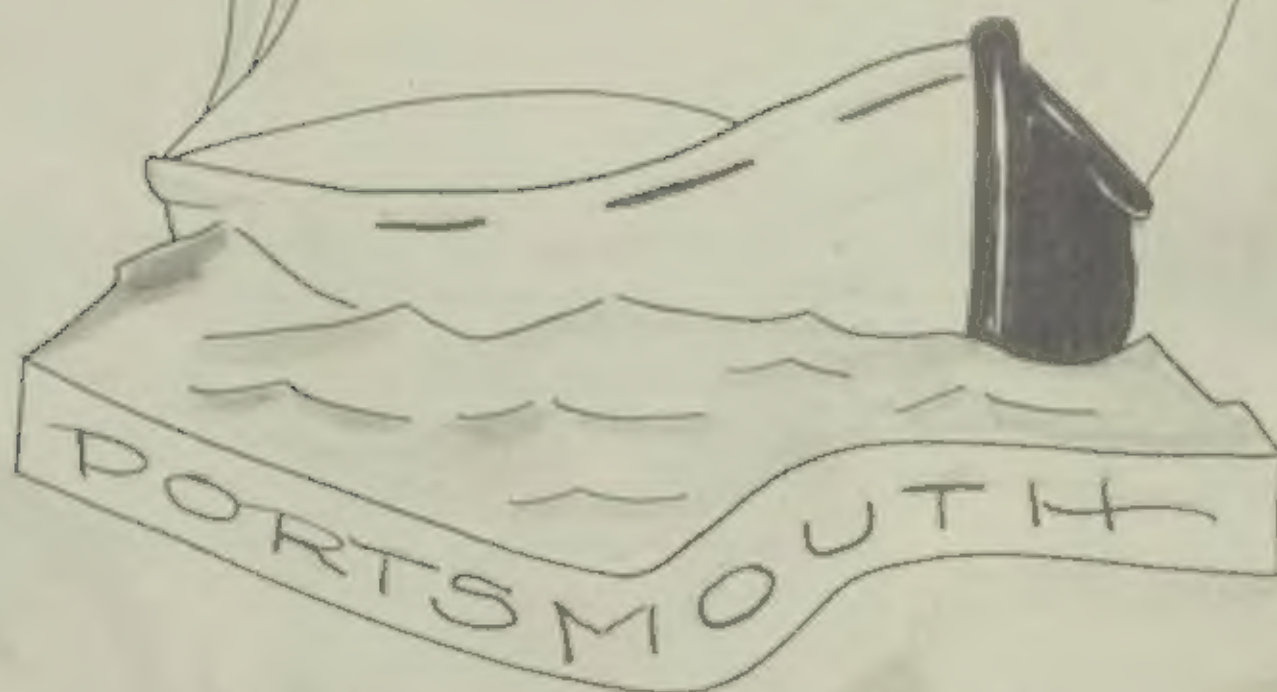

As a token of appreciation of the long hours spent in guiding and directing our education for the past three years we, the members of the class of nineteen hundred fifty-one, dedicate the fifth edition of *The Clipper* to the teachers of Portsmouth High School.

THEME

The ring symbolizes the most important events in our lives: graduation from high school, completion of college, marriage.

A class ring is not just an ornament for the finger, it is the circle of unbroken friendship. After graduation the members of the class separate. Many, in these troubled times, will be sent to distant parts of the world. However scattered we may be, each ring with the familiar CLIPPER crest will be a link in the chain which binds those who have worked, played and studied together, and who share so many happy memories.

ADMINISTRATION

SUBMASTER ROLFE BANISTER, PRINCIPAL E. BLISS MARRINER

TO THE MEMBERS OF THE CLASS OF 1951:

You are now to enter upon a new phase in your life's journey. It may seem to you that the future outlook is rather dark and uncertain. However, a glance through the pages of history shows that people of many periods have experienced the same feelings, but they pressed forward with high hopes for a better day, gave their best to the tasks at hand, and practiced a great faith in a better future.

As a consequence, our world today, with all its faults, offers greater opportunities for service to mankind and for personal growth than we have ever known. Today as never before we need men and women with personal integrity, loyalty, high character, and religious fervor to lead us forward to greater achievements.

If you will accept this challenge you will make the greatest contribution toward a better world and you will experience the personal satisfaction of living a useful and productive life.

It is my hope that you will use your education toward becoming worthwhile citizens as well as sources of joy to those who have sacrificed for you.

I wish to extend to you my congratulations on completing the requirements necessary for graduation with my very best wishes for your future success.

Sincerely,

E. BLISS MARRINER,

Principal.

THE CLASS OF 1951

A Comedy-Drama in Three Acts

The Scene: A building near the center of the city of Portsmouth, New Hampshire.

The plot:

ACT I. SEPTEMBER, 1948, TO JUNE, 1949

The opening scene finds the entire cast, a frightened group of sophomores, entering the portals of the Portsmouth High School. The members of the group look left and right along the corridors which seem to stretch endlessly before them. It is reluctantly and separately that they find their classrooms. All the while they are conscious of being watched with raised glances by a superior group made up of juniors and seniors.

Class begins to rise; they relax briefly as assignments are given out, then settle down to the serious business of adjustment to their new surroundings. Class officers are chosen: president, Bernard McCabe; vice-president, Dorothy Branch; secretary, Stella O'Donnell; treasurer, Leonard Dargatz. Our guide and protector advisers are Miss Griffin and Miss Sanders. With their help, the sophomores soon get into the swing of things.

Color and excitement are provided by club activities and sports in which the boys join and in which some of our sophomores gain distinction. A few of the girls win coveted positions as cheerleaders; these are Beverly Foss, Jeanne McManis and Dorothy Anderson.

A heated Home week party is given by the juniors and seniors who are found to be pretty nice people after all. Mr. Phillips is cast as master of ceremonies and everyone has a wonderful time.

Before we realize it time has crept upon us and we look forward eagerly to a long vacation. At graduation, the spotlight falls on Nancy Nelson who wins a Haven Medal for outstanding scholastic ability. We are now a more confident group and have come to enjoy Portsmouth High School. **The curtain falls on the first act.**

ACT II. SEPTEMBER, 1949 TO JUNE, 1950

As the curtain rises on the second act the cast with a few minor changes again moves upon the stage. The corridors are no longer so meaningless and classrooms are filled with ease. We move now with assurance and smile tolerantly in our attitude the sophomores out reminding of our bewilderment of the year before we came here and there to lend a helping hand.

Now at last sports are promoted and sports and soccer become featured players with a few become stars. Chosen leaders this year are president William Burr, vice president Sheila O'Donnell, secretary Shirleyanne Rourke and treasurer Peter Missiro.

Clubs are again chosen carefully and a few juniors are elevated to important offices in them. Many boys become noted for their sports ability and several change their usual costumes for maroon sweaters and jackets with the white letter P. Basketball holds the center of the stage as usual in the winter months as Patsy, witholds another State trophy to its collection. Juniors Burton, Sylvie and Cressida are outstanding members of the team. **Coussoule being one of the few juniors ever to win a place on All State.**

Class plays are selected after great deliberation. The musical show in annual event is sparked by junior talent which accounts in part for its great success.

The junior play "When A Lady Sings" is an April stringing Beverly Penello, Kerhard Pultray, Gordon Aston, Bruce Goodrich, Richard Burr and Patricia Connors.

Members of the class pledged to National Honor Society are Nancy Nelson, Helen O'Connor, Ruth Bakerley, Charles Davieson, Jonathan Cameron, Peter LeRue, Suzanne B. LeRue, Shirleyanne Rourke, Sylvie Jones, Irvin Tule and Sheila O'Donnell.

Again the year flies by and too fast but we are looking forward to raising the curtain on the last act when we shall be at last the "sophisticated seniors."

ACT III. SEPTEMBER, 1950, TO JUNE, 1951

The curtain rises and time seems to fly with a kinds of activities and the hastening excitement of our coming graduation. Along with the honor of being seniors there is a great deal

of work to be done with the advice, responsibility and leadership in Student Council, school paper, yearbook, clubs, and sports. With all the hubbub of measuring for caps and gowns, raising much needed funds, wearing of dresses and paces, and attending school events and games, we still find time to go to school.

The Copper Review, a student-run paper, does better than any other, although completely different in appearance and is 'read after then ever'. The senior play 'Double or Nothing' is a huge success.

Shirley Mae Rottman is Treasurer D. A. R. representative and Marilyn Lee wins the American Legion award. There was a track team outstanding in sports winning honors for the school in football, track and basketball, especially in basketball with still another state championship. There are stars from the senior class who took part in the All State team: Paul Babula, Loukas Coussole, and Arthur Splaine.

Class officers this year are: President Arthur Splaine, Vice President Helen O'Connor, Treasurer Miss Belcher, Secretary Stuart O'Donnell, and a business manager Albert Boyan.

A backward glance through the previous years finds our boys starting to cross the threshold and enter the world of science. This year it is not only the girls who are going out to go on to a new life, a new world, but the boys who are going to the world of science at Purdue and High School.

JUNIOR CLASS

Students of the Junior Class were very active in the school year, attending football games

and the Junior Class was very successful in their efforts in the school year. This was the first year of the Junior Class and the cooperation of all concerned was rewarded by a huge success.

The juniors are now displaying their class rings which arrived early in March.

JUNIOR PROM

SOPHOMORE CLASS

As this is our first year at Parkside High School, our history is rather a brief one. The first few days were like being in an unknown world, even though our teachers and the upperclassmen tried to be kind and helpful.

When everyone was settled down to studying we held class elections. The ones chosen to lead our class were, Frank Hartzley, president, Helen Cussone, vice-president, Richard Lemondagne, treasurer, and Alan Cruz, secretary. Our class adviser is Miss Julia Stubb and she has been very helpful.

In October, the seniors and seniors gave a Halloween party to welcome us into the school. There was excellent music by the high school orchestra and plenty of refreshments for all. All who attended had a wonderful time.

Many of our boys have participated in sports at P. H. S. Several have earned letters and we are proud of them. The sophomores have contributed to the school in other ways by taking part in club activities, especially in music by singing at the Student Council, and by generally trying to be good citizens in the school community.

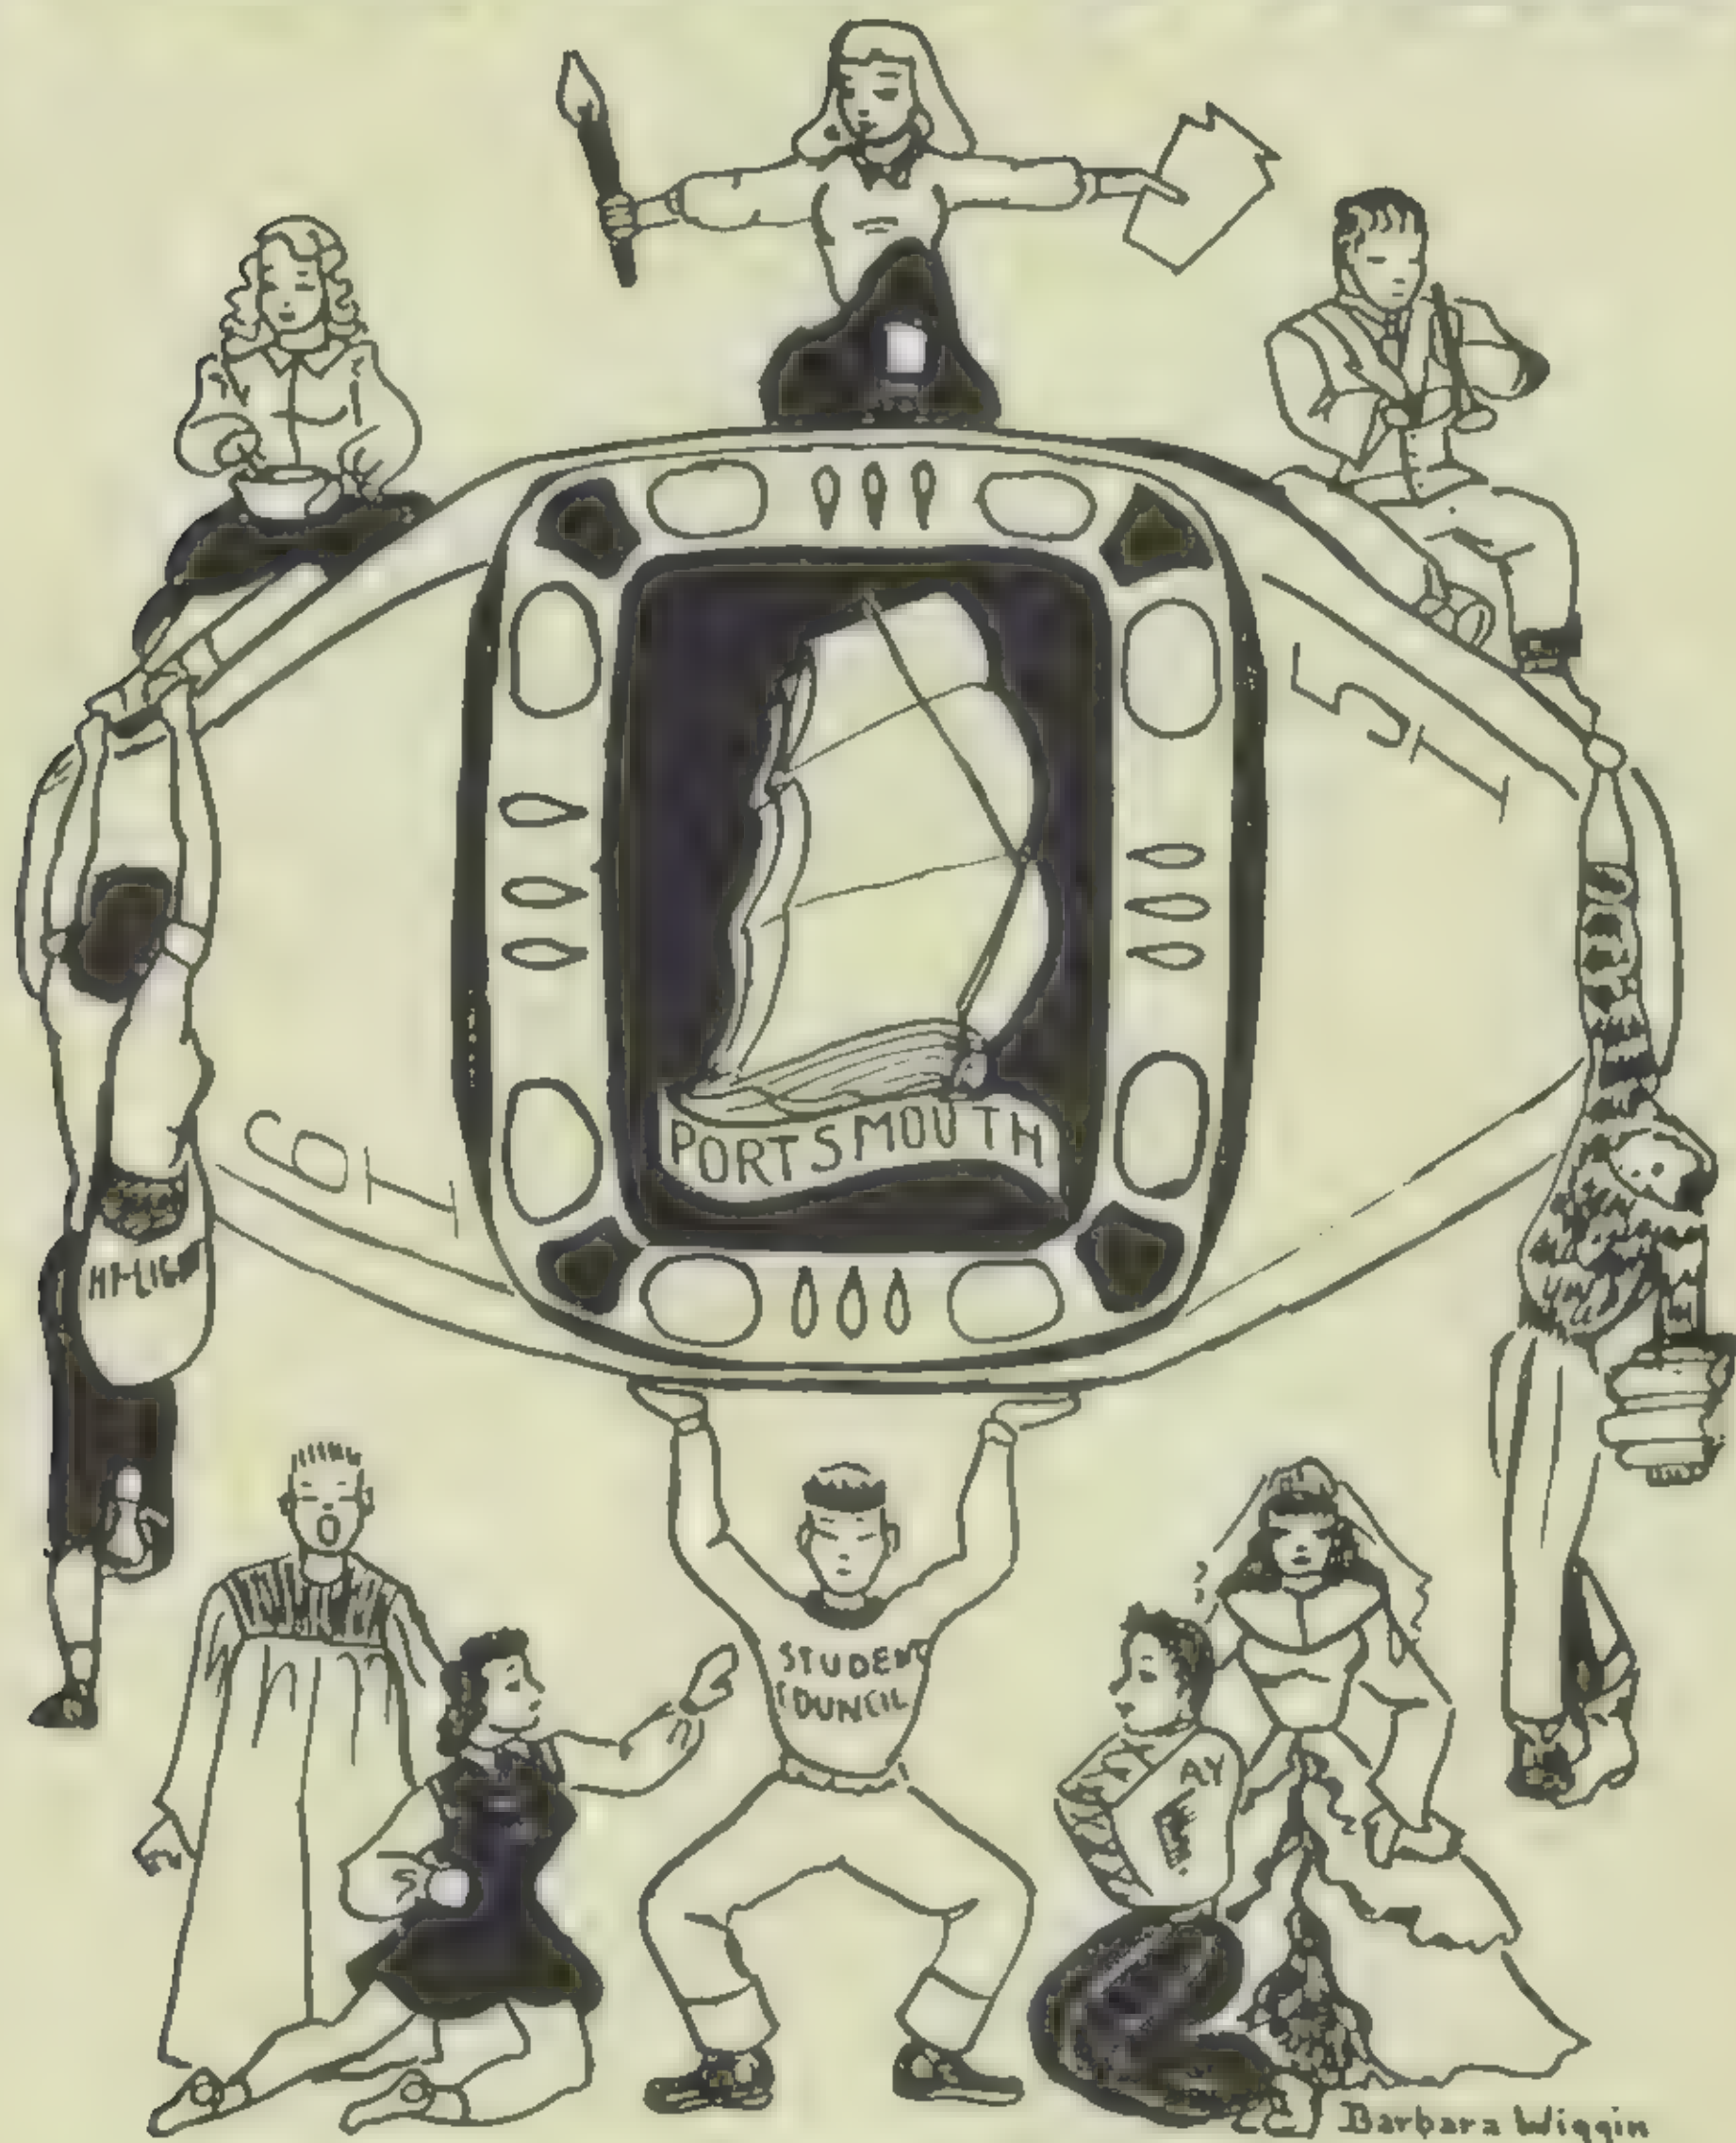

Now another school year is coming to a close. All of the happiness and sorrows that we have taken since our first year here must be tucked away in our memories for all the years to come. We are looking forward to next year when we will be seniors as juniors.

The club officers for this year are: Steve Douglas Gray, president, Beverly Petrillo, vice-president, Janet Cuttan, secretary, and Frank Hundley, treasurer. Mr. Graham Alvord and Mr. Victor Pomiecko are the faculty advisers.

The aims of this organization are to promote the general welfare of the student activities, encourage better citizenship by creating high standards and contribute the activities of the school, and promote the good name of the school.

The activities of the year have consisted of sponsoring a variety of camps, in assisting at Parents' Nights, and carrying out the election of the class officers this year.

NATIONAL HONOR SOCIETY

The National Honor Society is an organization of senior and junior students who are chosen by the faculty on the basis of their scholarship, leadership, service and character.

This year our Letter has undergone a project which it found very successful during the last week. The Letter is to send out a news letter to sixteen female women who were formerly Portsmouth High School students, regardless of where they are stationed. We have in this way to let them know we have not forgotten them. We are also writing to them occasionally, telling them the latest news of the city and school.

Officers, elected at the first election of new members in October, consisted of Charles Davidson, president, Nancy Nelson, vice-president, Sylvia Jones, secretary, Irving Taube, treasurer.

Present officers are Kenneth Paltrey, president, Elaine Ricci, vice-president, Hannah Moynahan, secretary, John Lyons, treasurer. Miss Margaret Ballard is the faculty adviser.

THE MASQUERADERS

The Masqueraders Dramatic Club elected the following officers for the year 1950-51: Lloyd Wolf, president; Joyce Caswell, vice-president; Dorothy Gray, secretary, and Evan Howe, treasurer. The club is under the direction of Mr. Leonard B. Barnes, with the assistance of Mr. Donald Morrison, our cadet teacher from U. N. H.

The aim of the club is to promote all phases of dramatics from acting to make-up and to give the members an awareness of stage presence.

The club was active during American Education Week in November when a radio program was presented over WHEB which told about some of the many extracurricular activities offered in this school. The club also presented a special Thanksgiving assembly and presented a one act play just before Christmas. Plans are now under way for another one act play to be presented sometime in the near future. The project for this year is to try to raise some money to buy some sound effects records which may be used in future dramatic productions.

THE DRAMA FESTIVAL

This year's Drama Festival Play, under the able direction of Graham Alvord, has won the Regional New Hampshire Festival, a trophy from Dover and Rochester.

The play is set in a small Mexican village. The time is the present. Joan Kadlec plays the part of Berra, a young Mexican beauty who is very angry over the fact that Fidel, played by Ed Duffy, has been flirting with her. Celestina, the maid, is played by Marjorie Williams. Beverly Petrillo plays the part of Tonia, who is in love with the groom. The events of the play are a knock-down and drag-out fight between Celestina and Salome, played by Priscilla Palmer. Joan Lowther is the prompter.

At the state festival at Dartmouth St. Joseph's High of Manchester and Portsmouth High School were the only two schools. These schools will represent the state of New Hampshire at the New England Festival held at Warwick Rhode Island in April '38. Those who saw the performance at the Drama Festival will certainly remember it as a triumph for our school.

GIRLS' HI-CLUB

One of the most popular clubs of Portsmouth High School is the Girls' Hi-Club. It is a very active club, consisting of seventy-two juniors and seniors, is one of the largest in the school.

The three purposes of the club are to promote interest in the school and its activities, to encourage friendliness among the students, and to further school spirit.

The club has contributed to such worthy projects as the Heart and Cancer Funds. It has sponsored several dances and socials for the students, faculty, and parents. One of the most anticipated events which the club sponsors is the Fall Day which is held just before graduation.

The club is under the able leadership of Sylvia Jones as president, Dorothy Breton as vice president, Audra Williams as secretary, and Beverly Petrillo as treasurer, with Miss Catherine Barron as adviser.

SPANISH CLUB

This is the first year of the Spanish Club which is under the guidance of Miss Shinnon. The requirements for membership are second and third year work in Spanish and an eighty average. Our officers are: president, Priscilla Rand, vice-president, Mary Lou Bierweiler, secretary, Judith Gardner; and treasurer, Janet Curran.

The aims of the Spanish Club are to speak Spanish and to learn about Spanish life and customs.

Our meetings are on the first Thursday of every month. We play Spanish games, listen to interesting talks about famous Spanish people and places, and read stories of Spanish speaking countries. All of our business is conducted in the Spanish language.

A week before Christmas members of the Spanish Club presented a "Nacimiento" or Nativity scene for our classroom. They also made a pinata which is a paper bag filled with nuts and candy and covered with crepe paper. It is hung from the ceiling at Christmas time and for birthday parties. The young people who are invited to it try to break it with a cane.

In the future we plan to put on a play in Spanish for Spanish students.

MUSIC

Our music groups under the direction of Mr. Keshenas have enjoyed the usual busy year. They have given several concerts, participated in the Copper Review, as well as several music festivals.

The members of the band chose as their officers: president, William Froolsmeyer, vice-president, Kenneth Pollock, secretary-treasurer, Ward Caswell. They have played at the Foxcroft Games and the New England Basketball Tournament, they have participated in a formal concert and they played in the New England and New Hampshire festivals which were held in Boston, Massachusetts and Portsmouth, N. H. respectively. We are especially proud of the following members who were chosen for A. LATIN CLUB

Under the guidance of Miss Arkell the Latin Club members strive to learn more about Old Rome, its customs and its customs. Our way of learning is not all work, we have lots of knowledge from such programs as the stated lecture by Miss Merrihan on August 1.

Cesar's Cross in the Roman room and a costume party with prizes for the best dressed Romans.

This year our officers were elected by writing and voting in words. They are as follows: Censor, Margaret O'Brien and Marguerite Downing; Adviser, Grace Schior; Quæstor, Nick Salvador; Censor, Carol Blair.

On our flag is the Roman phrase, S. P. Q. R. which means "The Senate and the Roman People." We, the Latin Club members are proud of our club, we are the *Laeti Laetini*, the Happy Latins!

THE HI-LIGHTS

The advisers of the H. L. Lights are Miss Vivian Brown, Miss Katherine Flanagan and Miss Phyllis Hodgdon. There are no officers.

The club is divided into three groups, the art group, the writers, and those who manage general business. The work is well as seen for the year. There are seventy-five members, every one of whom is interested in the work for which it is adopted.

The newspaper concern is a group of girls who are putting out a paper in column. The first issue of the newspaper which was done at the service of the club which was sent to those whose addresses were known. It carried a list of names of those known to be in the service. The first issue is sent with the first issue of the year and will be the graduation issue.

The officers this year are: Carol Ann Astor, president; Seymour Roman, vice president; Betty Crockett, secretary; Betty Martin, treasurer.

The activities of the program include a variety of projects, such as school projects and discussions.

The activities of the year were the success of the Allied Youth Day and the selling of "PHS" mechanical pencils.

FUTURE HOMEMAKERS

Any student who has had one year of home economics may become a member of this national organization, the **Future Homemakers of America**.

The Portsmouth Chapter was able to send six delegates to the state convention held in Nashua last spring. We were proud to have Dorothy Clark chosen as the State Historian.

The chapter motto is "Toward New Horizons." The National flower is the red rose. The emblem is a rose supported by two hands which symbolizes that the future of homes in America is in the hands of its youth.

IN APPRECIATION

The Clipper Staff would like this opportunity to extend thanks to all those who have contributed in any way to the assembling of this book.

Our first thanks go to the advisers who have willingly given their time and energy to the success of this year's book. With Miss Griffin's capable assistance the student body classes have taken care of the student contribution. The sports pages, which were so efficiently done, were supervised by Mrs. F. J. Smith. The excellent work which appears throughout the book was accomplished by the excellent penmanship of Miss H. J. O'Connell. Miss Winkley, our English adviser, was ever on the alert to help in any way possible, and Mr. Malloy was our publicity agent. Thanks also go to the members of the staff. Miss L. J. O'Connell was our general supervisor who worked unceasingly with us to perfect our book.

The pictures in this book were supplied by Warren K. Vardine, our staff photographer. Mr. Vardine's sports photos and P. J. McShane's photography. The Portsmouth Herald very generously contributed several of our sports action shots.

Our printing has been done by Samuel Blaisdell and Son of Portsmouth.

We want to express our appreciation to all those who have helped us. Our appreciation is extended to all those who have helped us in this way to show our gratitude for their aid.

It is a pleasure to express our appreciation to all those who have helped us in this way to show our gratitude for their aid.

Sincerely,

THE CLIPPER STAFF

CROSS COUNTRY

Our cross-country team has been successful in securing a place in the first by Concord and Exeter Academy Varsity, State and New England champs.

In the first of the cross-country races, the Concord and Exeter Academy Varsity team won. This year was a very close race between Concord and Exeter Academy. The Concord team won by a very narrow margin. It was a very hard race and we were second in state competition.

WINTER TRACK

Could Casavola's efforts at working winter track squads be every reason to consider 1970-71 a good season for the winter sports with respect to the Manchester Central Track Club? The answer is no, it is not, and they lost out in events at Bowdoin College and in State competition. However, some excellent new Club records were established in the season. Bob Arseneault was the one man out at Bowdoin and Bob Dixon the one at State. Bob Jacobsmeyer was first to break the tape in both the four and five mile races in the state meet. Parham's loss, the meet to Manchester Central by dropping the last event.

CHEERLEADERS

JUNIOR VARSITY FOOTBALL

The J.V. team has been successful in its first season. It has won three games, held one, and won a championship. The team is well liked and has a good record. It is hoped that it will continue to do well next year as members of the varsity.

Our players have every one of the varsity and who has kept a record of which has the best record of which has the best record. We know this is not the best record ever but the boys were honest and there was nothing but the best of sportsmanship on the playing field.

This year for the first time all games were played under lights and the spectators were in the stands.

Head coach H. C. Arthur, Jr. and assistant coach Edward P. [unclear] played a small part in making the season a satisfactory one to all concerned.

THE STATE TOURNAMENT

The team of New Hampshire that has won more tournaments than any other, for the second time made it two in a row. The boys went into the tournament in top condition and **were ever alert to make use of every advantage.**

With Dick Romagnoli and Bob Watson as guards, Luke Coussoule and Art Spence as forwards, and Paul Batschelet as center the Clippers won over Berlin in the first game 41 to 40. In the second game they matched wits with our former coach, Jim Phillips, and his boys from Manchester Central, and crushed their hopes for the crown 41 to 29. In the final, with Concord the score was close in the first three periods, but in the fourth the Clippers pulled ahead and **went on to win the game 41 to 31.**

Four Portsmouth players made Art Spence, Paul Batschelet and Art Spence as regulars, and Luke Coussoule and Dick Romagnoli as utility men.

PERSONALIZED PORTRAITS

and it's all done with
LIGHTS!

There's magic in lights . . . add a light here, place a spotlight there, and your portrait takes on the appearance of real form and individuality.

Your Vantine photographer knows how lighting effects can be best used. . . . How easily they can reflect your personality.

Your Vantine photographer knows best how to secure the sharply etched photograph your engraver desires of the important senior year. . . . The victories of the athletic teams. . . . The brilliance of social occasions. . . . The Prom. . . . The plays. The debates. . . . The expression of everyday life on the campus.

That personalized portraits by Vantine are important is attested to by the fact that over 300 schools and colleges repeatedly entrust their photographic work to Vantine.
